

Declaration of Cooperation

As part of their 5th anniversary celebrations and in support of their corporate social responsibility policy, Data Fundi hereby commits to donate computers and Internet connectivity to The Uganda Heart Institute.

The Uganda Heart Institute undertakes to obtain and furnish Data Fundi with space for the installations, requisite permissions and access to the relevant existing facilities.

The Parties have hereunto set their respective hands in agreement of the partnership on this
18th day of January 2008.

The logo for Data Fundi, featuring the word "DATA" in a stylized, blocky font above the word "Fundi" in a bold, sans-serif font.
